Text and Email Communication Informed Consent

Information contained in email messages and text messages may be privileged and confidential. There is some risk that any protected health information contained in such emails and texts may be disclosed to or intercepted by unauthorized third parties. Please be aware that email and text communications can be intercepted in transmission or misdirected.

Your use of email or text to communicate protected health information to us indicates that you acknowledge and accept the possible risk of such communication. Mountain Brook Wellness will respond to your email or text query, but to do so via email or text, you must provide your consent, recognizing that email or text is not a secure form of communication.

MBW will use the minimum amount of protected health information (PHI), to respond to your query. Please communicate any sensitive information by telephone, fax, or mail. If you do not wish to have your information by email or text, please call me at 205-235-1277 or make an appointment for an office visit.

If you wish to conduct discussions regarding your counseling issues by email or text, please indicate your consent by signing below.
